## More Than One View of Football

THE FOOTBALL PLAYER AS HE IS PICTURED.

### TO BOOM

#### INDOOR BALL

F. D. Baldwin of New York has recently been appointed a member of the advisory board of the United States to look after the indoor base ball situation in the metropolitan section of New York state. Mr. Baldwin is well known in base ball circles, both in the indoor and outdoor game, having been connected with base ball in a managerial capacity for some years. Indoor base ball has never been very popular in New York, which has been attributed to lack of some one to take hold of the game and introduce it to the public.

### THE GREAT FOOTER GAME

Who will win tomorrow's football game? That is the great question that is agitating the minds of the entire local sporting community. Both teams have trained long and faithfully for the great test of skill and endurance so soon to take place and both Punahou and Mailes have hosts of admirers. The Punahou since their win over the Mailes have gone in working as hard as ever with the idea of making assurance doubly sure, and the Mailes have worked day and night to turn dark defeat into glorious victory and

AS HE REALLY IS

AND AS HE MAY LOOK UNDER SOME OF THE PROPOSED RULES

boys know the game better as a whole than the Mailes. The Maile supporters, on the other hand, can see nothing to it but the green and gold. All of which leaves room for a lively argument.

### FISTIC FUN IS PROMISED

All the sports are agog with interest over the fistic carnival to take place in the Chinese Theatre on New Year's night.

The main even between McFadden and Duffie is generally conceded to be an attractive one and the fight has a very open look. Both men are confident and are in training for the bout.

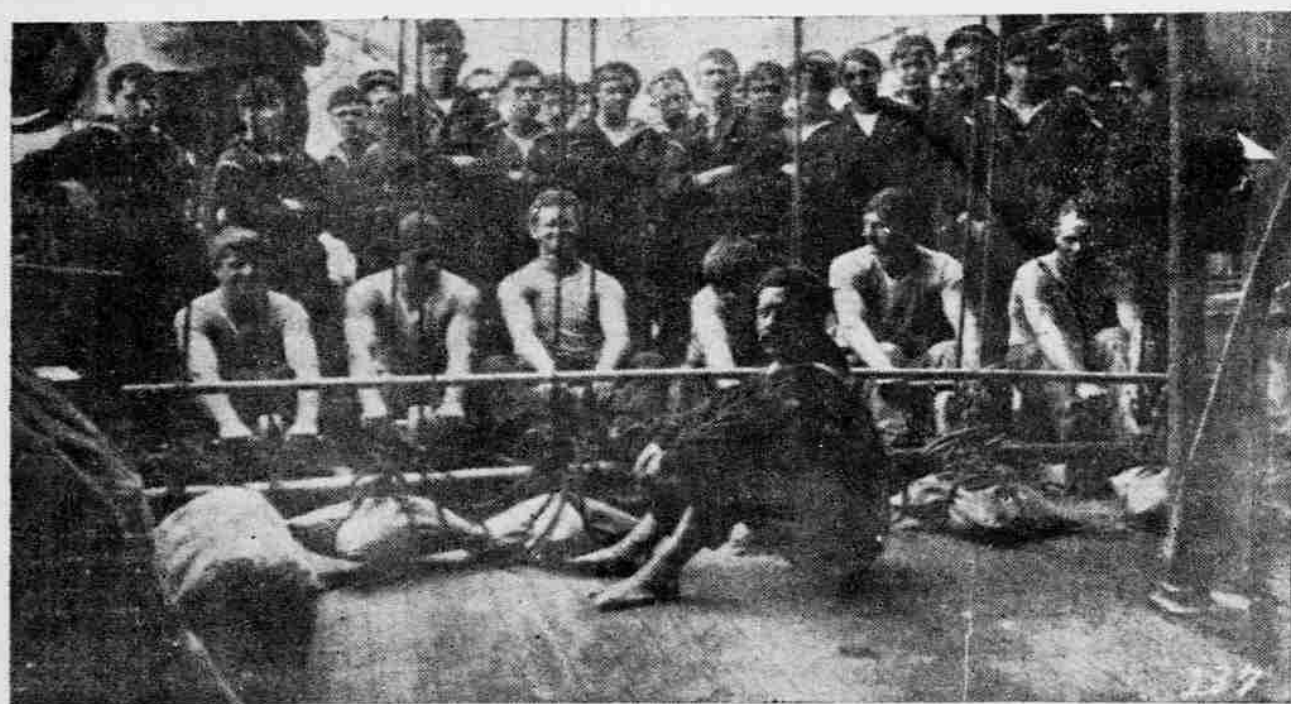

The fight will be of fifteen rounds duration and by many is looked upon as likely to go the limit. McFadden is training at the Myrtle boathouse and his opponent is conditioning at the Helelani headquarters.

Promoter Joe Cohen is trying to bring Young Nelson and Kid Harris together in the preliminaries. These two lads should furnish a go but little inferior in interest to the main event.

In a former fight between these two men, Nelson received the decision. McDuffie, a recent importation from San Francisco, may be attached with Big Bill Lang of the U. S. S. Iroquois as a curtain raiser.

The "Wild Swan" with the steen syllable name may also be seen in the ring a week from tomorrow.

Altogether the fun should be fast and furious and the card provided be well worth going to see.
